VINTRY IZAKAYA

Our dishes incorporate the flavours of Asia, from the salty tang of miso and the fiery kick of kimchi, to the freshness of yuzu and gentle heat of wasabi — each dish served on small plates, perfect for sharing.

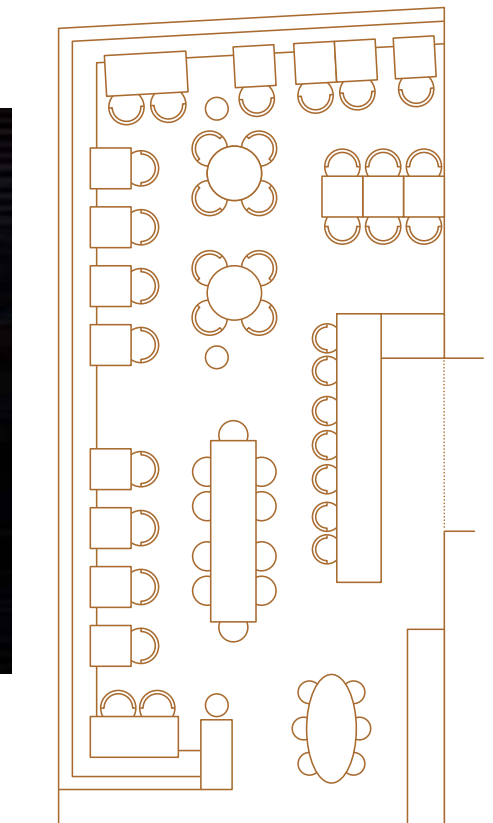

Vintry Izakaya is an Asian tapas eatery on the ground floor, with a menu that pulses with fresh, bold Asian flavours from morning to night. Wine is central to our approach — close to the hotel, merchant sailors landing from Bordeaux used to store their wines. At *Vintry Izakaya*, our wine is tapped straight from the large

barrels lining the gantry and can be enjoyed at the bar or with a meal.

Vintry Izakaya is available to be hired privately, with an extensive selection of Asian sharing dishes and a fully stocked cocktail bar. It can accommodate up to 100 people for standing receptions and 60 for seated meals, using the restaurant's existing setup.
