Infection spread by customers or visitors with COVID-19

Infection spread from surfaces and equipment infected with COVID-19

Who might be harmed and how?

Customers

Staff

Visitors

Guests

New and expectant mothers

Controls in place

nhs tracking should be used by all staff to aid in controlling any future spikes in Covid-19 and to highlight team members health state regularly.

Only essential staff will be required to be on the premises

Staff who need to self isolate will be required to do so and will not be permitted to enter the premises. Measures will be taken to support self isolating staff during their period of self isolation
