
Alcohol's ability to draw out flavoursome substances from herbs, spices, and fruits by infusion and then preserve those flavours has been used since the Middle Ages — originally by Monks — to produce potions with perceived health benefits.

We decided to choose a few of our favourite spirit brands as a base and use the alchemy of plants and fruit to create some truly unique drinks.

MIXED INFUSIONS

PISUM SATIVUM

Sapling gin infused with pea shoot.

*With cucumber cordial,
citrus topped with elderflower tonic*

£15

MALUS DOMESTICA

Calvados infused with thyme & green apple.
