Champagne

Charles Heidsieck is the smallest of the Grandes Marques champagne Houses. Based in the Reims region of Champagne, it is one of the best-known producers for both vintage and non-vintage cuvée. The house was founded in 1851 by the French champagne maker Charles Camille Heidsieck, who became known as Champagne Charlie.

England

English wine is growing in popularity and is increasingly recognised as a premium wine-producing region, with more than 450 wineries and around 3.15m bottles produced a year.

Whilst vineyards are found across the whole of England, the climate of the South and Southeast makes it a particularly popular region for growing vines.

Chapel Down, Kent

“As England’s leading wine producer, their mission is to change the way the world thinks about English wine. Their talented winemaking team produce award-winning premium sparkling and still wines, grown in the chalky terroir of the North Downs of Kent.

Sp.	Chapel Down Brut Réserve, Kent, England	2019	£95.00
Sp.	Chapel Down Brut Réserve Rosé, Kent, England	NV	£130.00

Nyetimber, West Sussex

These vineyards share similar characteristics with the best sparkling wine vineyards in the world. Greensand and chalk soils allow the vines, in each of the separate sites, to flourish across the south of England.

Sp.	Nyetimber Classic Cuvée Multi-Vintage, NV		£125.00
Sp.	Nyetimber Rosé, NV		£150.00
Sp.	Nyetimber Blanc de Blancs	2010	£195.00

Davenport Vineyards, Kent

Davenport Vineyards was always a keen supporter of organic farming and in 2000 they made the decision to convert all the vines and winery to organic systems, certified by the Soil Association. At the time this was a huge risk, but ultimately the vines are in great shape, the fruit quality is second to none, and the wines show a depth of character that we believe could not be achieved with the use of chemicals in the vineyard and winery.
