
Alcohol's ability to draw out flavoursome substances from herbs, spices, and fruits by infusion and then preserve those flavours has been used since the Middle Ages — originally by Monks — to produce potions with perceived health benefits.

We decided to choose a few of our favourite spirit brands as a base and use the alchemy of plants and fruit to create some truly unique drinks.

SPRITZ

ST GERMAIN HUGO

St Germain liqueur, Briottet lavender, soda, topped with prosecco.
